HONORING THOSE WHO SERVE

The ANZAC Oatmeal Cookie

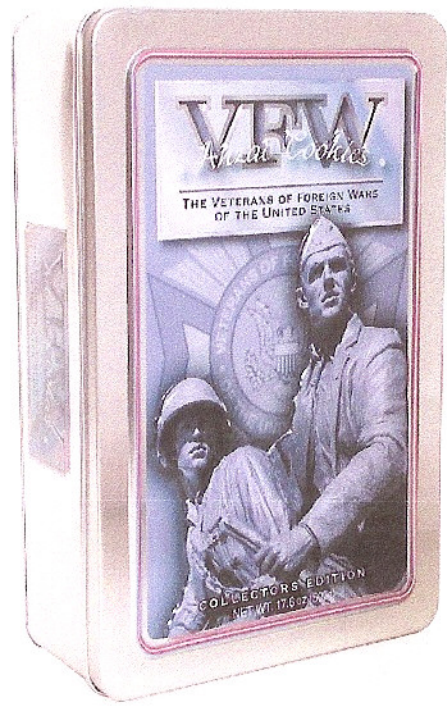

Symbolising the enduring spirit of the Australian and New Zealand troops, the ANZAC Oatmeal Cookie assumed an increasingly important role as World War 1 dragged on. Baked by the women at home using only the ingredients that were available due to rationing, this little cookie played a vital role in lifting the morale of the soldiers at the front and later, as a fund raiser for the Red Cross.

Today, the ANZAC Oatmeal Cookie is continuing to support veterans and their families. With each package or tin sold in the USA, 4% of Unibic North America Sales are contributed to the VFW to support their medical, educational and social programs.
