

A Grateful Nation Remembers

Certificate of Appreciation Presented to

In recognition of the courage and commitment of all Americans who served their nation during World War II.

Seldom have so many sacrificed,
or given as much of themselves, to their country.

A grateful nation thanks World War II veterans
and their families for giving their all.

The VFW and its Ladies Auxiliary are proud to have contributed more than \$6 million to the WWII Memorial.

Thank You for Your Legacy.
